EXECUTIVE EDUCATION

Keeping you on top of your game

RISK MANAGEMENT

An imperative to achieving organisational success!

FACILITATOR

Andrew T Joubert (MBA) is the Director of Executive Education at Wits University and is an experienced facilitator and lecturer in Business Strategy, Marketing, Corporate Governance and Risk. His wealth of experience spans over 40 years across the fashion retail, transport, and property development, banking and insurance industries.

As a business leader, are you equipped in this area?

Risk management is an emerging role across all industries and sectors. More than ever, competent people are needed to manage those risks.

Some benefits of attending this two-day workshop

- Understand standard approaches to risk identification and measurement
- Manage business risks more effectively
- Incorporate risk assessment and analysis when making decisions

Date: 17 - 18 August 2015

Fees: N\$6,500 - includes course materials, lunch and refreshments and certificate.

Full course descriptions are available at www.hpgsb.polytechnic.edu.na.

Contact Cynthia Kauami at ckauami@polytechnic.edu or 207 2242 for registration and enquiries.
