

Foundational Leadership Programme

"The most powerful leadership tool you have is your own personal example." -John Wooden

Leadership is the new currency of success. If you want to adapt your communication to inspire people and develop a culture of continuous improvement, then this workshop is for you!

Some benefits of attending the workshop:

- Understand the essentials of management and leadership
- Gain tools for leading yourself and others, building a winning team and basic coaching skills
- Analyse the elements of Performance Management, including giving feedback and having difficult conversations.

Facilitator

Ms Annette Isenschmid (MSc, BA) founded Isenschmid Consulting in 1997, a boutique consultancy specialising in Change Management in Zürich, Switzerland. She provides coaching to business leaders and offers leadership training to clients across Europe, Africa and Asia from various sectors.

Quotes from previous participants

"The course provided me with a number of valuable leadership and management tools. I am applying these in various scenarios to this day!" *Annemarie Saunderson- Manager Marketing and Communications at Sanlam*

"The course content was informative and I am excited to have this practical knowledge in my leadership tool belt. I have applied some of the models learnt and am continuously seeing improvements! I would definitely refer others to attend this course." *Aino Shipuata- Manager Internal Audit at the Raods Authority of Namibia (RA)*

"The course equipped me with skills I could immediately apply in my professional and personal life on a daily basis! I am indeed very grateful to the HP-GSB and Ms Isenschmid as my frame of reference has expanded beyond my expectations. This course is a must to any prospective candidate as the value is immense."- *Ayesha Tjiueza, Head of Sales at Nampost.*
